Here is another Dr. that is under investigation by the DEA. Will you pull the same data that you are pulling for the Dr. in Becca's area. Will you please verify the status of both mds license. Thank you!

Apparently this Dr. may be under investigation. The DEA visited a store in Stan's area. Can you have someone verify his license status (state and DEA) and maybe run some prescribing patterns on the dr. We probably need to come up with a standard checklist of things we do for this kind of tip. I don't have a specific deadline, just work it in.

Thanks!
